Company Profile

Transmissions Trading and Services is a premier business solutions provider based in Qatar, specializing in comprehensive services that facilitate the seamless establishment, amendment, and operation of companies. With a deep understanding of local regulations and business dynamics, we offer a full spectrum of services, including company setup, legal amendments, shareholder management, and licensing renewals. Our expertise extends to immigration services, engineers' registration, professional translation, and a wide range of IT solutions, including hardware, networking, and technical support. Dedicated to delivering exceptional value, we strive to streamline complex processes and ensure our clients' businesses remain compliant, efficient, and competitive in the ever-evolving market. At Transmissions Trading and Services, we pride ourselves on being a trusted agent for businesses seeking reliable, innovative, and cost-effective solutions in Qatar.

Companies Setup:

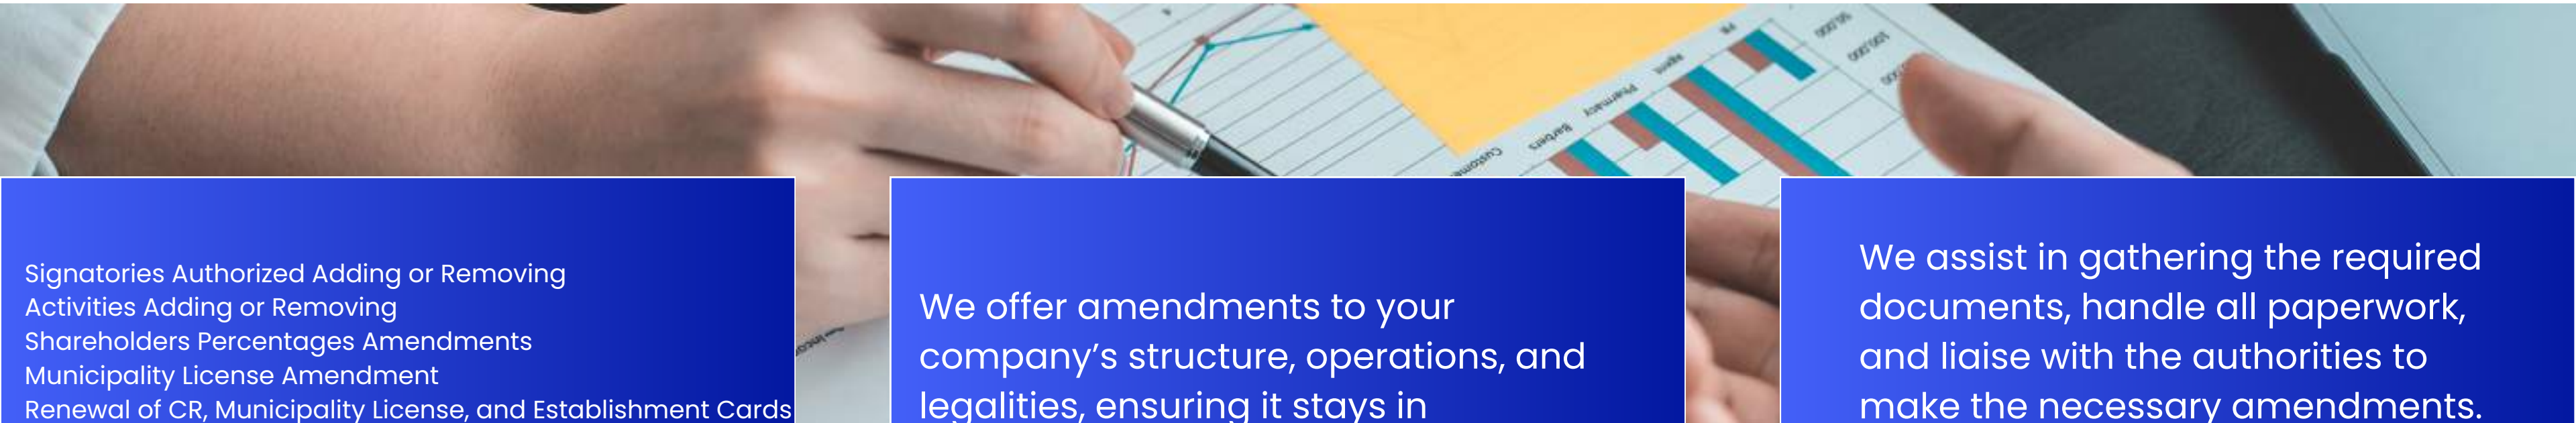

We provide comprehensive company setup services, ensuring that your business complies with local regulations while seamlessly entering the market.

Our team works closely with you to ensure that all documentation is in order, submits everything on your behalf, and follows up with the authorities until approval is granted.

Companies Amendment

Signatories Authorized Adding or Removing
Activities Adding or Removing
Shareholders Percentages Amendments
Municipality License Amendment
Renewal of CR, Municipality License, and Establishment Cards
Sales Agreement Proceeding
POA (Power of Attorney) Proceeding in Arabic and English

We offer amendments to your company’s structure, operations, and legalities, ensuring it stays in compliance with regulations as your business evolves

We assist in gathering the required documents, handle all paperwork, and liaise with the authorities to make the necessary amendments. We ensure that all changes comply with relevant regulations and legal frameworks.

Achieving the Individual and Companies Transactions

We provide seamless transaction support for both individuals and companies, ensuring the execution of business agreements and legal procedures.

Our team manages the entire process, from drafting documents to liaising with concerned entities, making sure your transactions are smooth, legal, and secure.

Companies Classifications

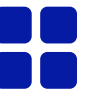

Service Overview

We help classify your company according to local regulations to ensure that you can access the necessary licenses and work with specific industries.

How We Handle it

Our experts navigate the classification process, ensuring all documents are correctly filed, and we handle any clarifications required from the authorities.

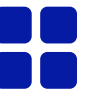

Service Overview

We handle company registrations, helping your business get officially recognized by the authorities to legally operate.

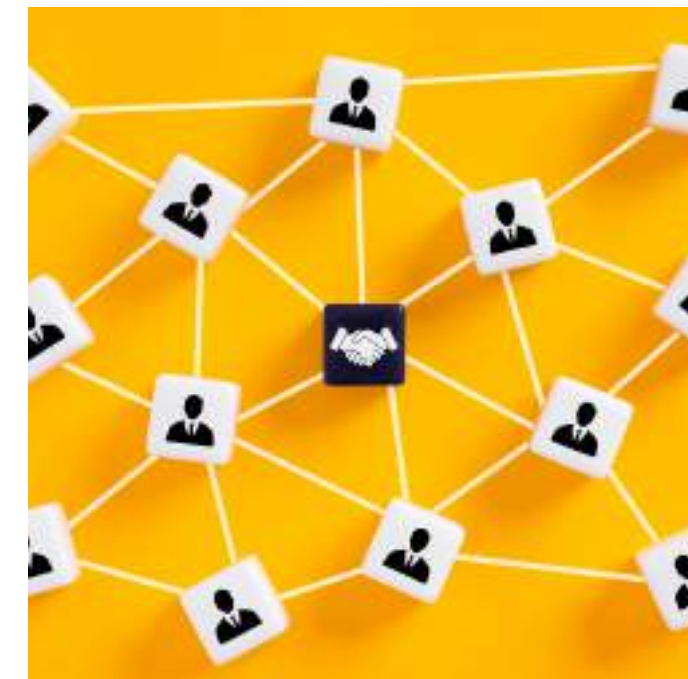

How We Handle

We ensure that all your company's information is filed accurately and handle the entire registration process on your behalf.

Companies Registrations

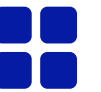

Business Support

We offer ongoing support to businesses, ensuring their operations remain compliant and streamlined.

Our team stays in touch with clients to provide proactive support, anticipating business needs and ensuring compliance.

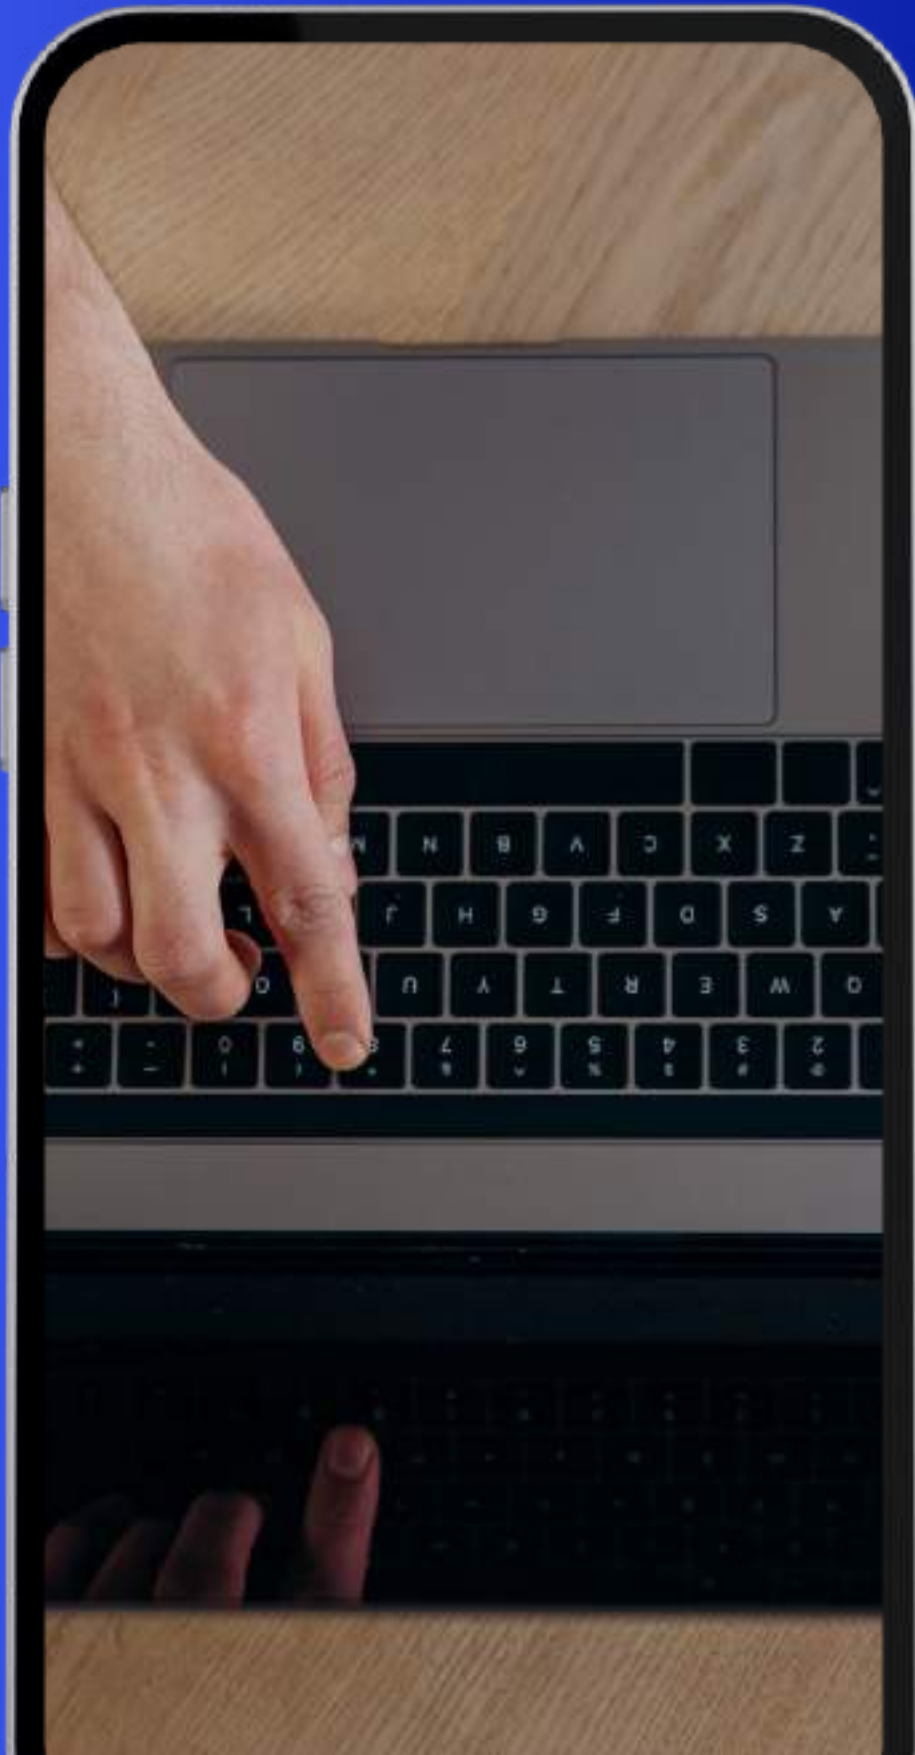

Achieving the Online Government Transactions

Service Overview:

We facilitate online government transactions, ensuring that all your business dealings with government agencies are processed swiftly and securely.

How We Handle It:

We manage the online submission process and provide updates throughout the transaction's lifecycle, ensuring no delays or complications.

Immigration & Visa Services

Service Overview:

We assist with immigration services, helping individuals and companies navigate the immigration process smoothly.

How We Handle It:

Our team handles the entire process, offering personalized support to ensure a hassle-free immigration experience.

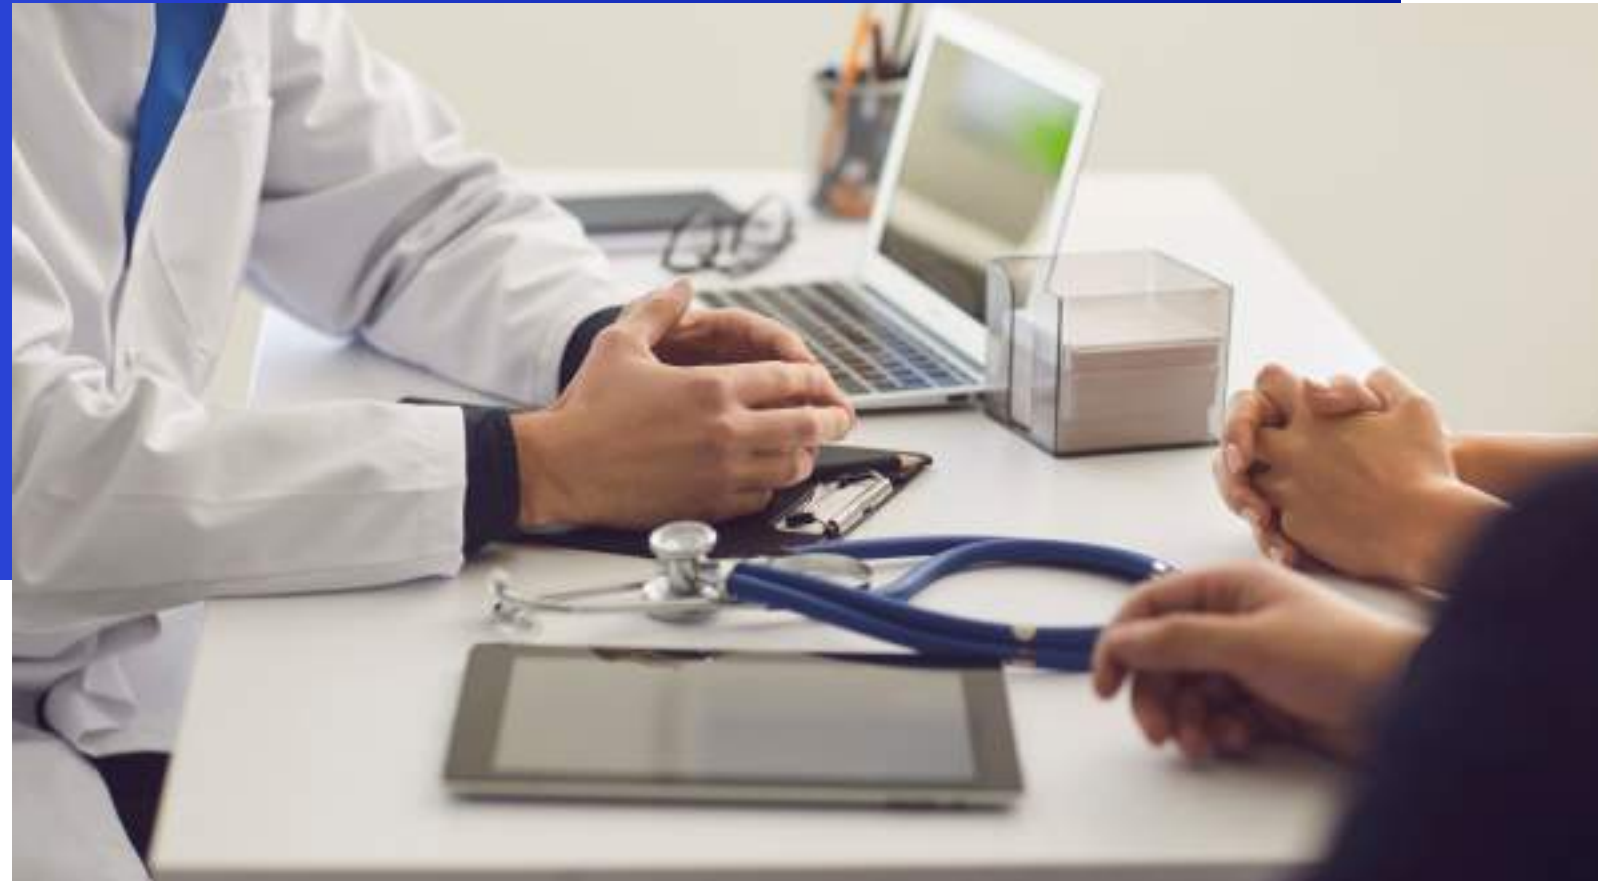

Engineers Registration and Classification Services

Service Overview:

We assist engineers in registering and getting classified according to local laws and industry standards.

How We Handle It:

We manage the entire process to ensure engineers are officially registered and classified to work in their respective fields without delay.

Service Overview:

We provide support in scheduling medical commissions and QVC appointments, required for work permits or visa applications.

How We Handle It:

We schedule the appointments and ensure all required documents are ready for submission.

Medical Commission and QVC Appointment

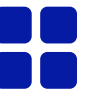

Translation

Service Overview:

Our translation services ensure that your documents are accurately translated into Arabic and English, making your business communication seamless.

How We Handle It:

Our professional translators ensure high-quality translations within the required timeframe.

IT Solutions, Accessories, PCs, Laptop, and Networking

Service Overview:

We offer IT solutions, providing high-quality accessories and networking services to support businesses and individuals.

How We Handle It:

We ensure that the right solutions are implemented, provide ongoing technical support and troubleshooting.
